ATTENTION

Be aware that the property lines shown on this map are not exact; they are approximations and not surveyed. Building footprint information is based upon aerial photography taken in 2003 and does not include updates since that time.

Printing Help

This map contains detail that many home and office printers will not print on standard paper.

To print a specific area of the map you may find the following instructions helpful:

1. Open the map in your favorite web browser, Adobe Acrobat Reader or Adobe Acrobat Standard/Professional.
2. Using the zoom tool, find the specific area you want to print.
3. Select Print from the File menu, or click on the Adobe Acrobat Print button.
4. In the print dialog, set the following:
 - a. Print Range, Current view.
 - b. Page Scaling, Fit to paper.
5. The print dialog may look like the following, note the preview window shows the area to be printed:
